

Dear _____,

“A person’s a person no matter how small,” is a great line from a book by Dr. Seuss... Horton Hears a Who. In today’s world, many consider a fetus a person only if it is viable outside the womb....meaning a baby 21 weeks or more developed in the womb that could survive outside the womb.

The Supreme Court of the United States has overturned Roe vs. Wade which had stated abortion to be a right to all Americans. The ruling determined that abortion is not rooted in our history or secured in our constitution. The authority to regulate abortion is returned to the people and their elected representatives on the State level. Unfortunately, there are many states that have abortion laws in place allowing abortion until birth. One of them being Colorado.

Dr. Seuss has it right . . . it doesn’t matter how small, a baby is a person the moment it is conceived. He needs us to be *his* voice, to stand up for *his* rights, and to share the truth with *his* parents . . . “a person’s a person no matter how small.”

With this historical ruling one thing is clear – now more than ever, pregnancy help organizations have the opportunity to love, serve, and care for those facing unintended pregnancies. Being a prolife organization here at the BV Pregnancy Center means supporting the mothers and fathers no matter the choice they make, just as much as the babies in utero.

Twenty-seven years ago, the Buena Vista Pregnancy Center opened its doors and began ministering to young women finding themselves with a planned or unplanned pregnancy and needing help. Over the years, they have expanded their services to include a variety of resources from information to assist people in making healthy lifestyle and pregnancy choices, to a men’s mentoring program. All the services at the Pregnancy Center are free and confidential. The Center also offers pregnancy testing, limited ultrasound, limited STI testing, Parenting, Healthy Relationship and Life-Skills classes, maternity and baby items, support, and ongoing friendship as well as financial assistance with rent, medical bills, utilities, food, and gas.

If you believe that every life is a gift from God, and that we need to keep standing up, speaking the truth, supporting ministries that believe in the gift of life, then I am asking you to prayerfully consider sponsoring me as I participate in the **ANNUAL BUENA VISTA PREGNANCY CENTER CELEBRATE LIFE FUND RAISER**.

The event will take place September 10. I am working to raise \$_____ for the center. If you feel led to sponsor me, you can send your donation in the enclosed envelope, or go online to our website www.bvpregnancycenter.com/celebrate-life and make a donation at bottom of page through PayPal OR through VENMO using BVPregnancyCenter.
